

## Shape a greener future with us!

At Befesa, a global leader in environmental services, we offer the opportunity to build an exciting professional career while actively contributing to a more sustainable world. We are looking to hire a **Corporate EHS Specialist (m/f/d)** at **Befesa Medio Ambiente S.L.U** in Madrid to join our team and help drive the circular economy globally.

[Apply now](#)

### Your tasks:

- Contribute to the development and implementation of corporate safety improvement programs and training initiatives across multiple sites
- Monitor progress on action plans and EHS initiatives, ensuring structured and systematic follow-up
- Support and help drive safety improvement projects at plant level
- Participate in corporate EHS audits and provide recommendations for improvement
- Prepare reports, presentations, and documentation for corporate leadership
- Provide ad hoc support for safety-related projects and requests

### Your profile:

- Degree or qualification in Occupational Health & Safety (engineering background preferred)
- 2 to 5 years' EHS experience, ideally in multisite manufacturing or metals industries
- Strong communication skills
- Experience in multicultural teams and international environments
- English & Spanish fluent; German and French are a plus
- Proactive, solution-oriented, and comfortable with frequent travel (approx. 30–40%)

### We offer you:

- A meaningful, impactful role in corporate EHS
- Work across multiple sites and cultures
- Competitive salary and collaborative international team
- Supportive and inclusive work environment that fosters personal growth, encourages work–life balance, and promotes a positive, collaborative atmosphere.

## Befesa

We have been a global leader in the circular economy since 1987. Our mission is to minimize the environmental impact of the steel and aluminium industry. With locations in Europe, Asia and North America, we set global standards for sustainability.
